

# NIH Roadmap Goal

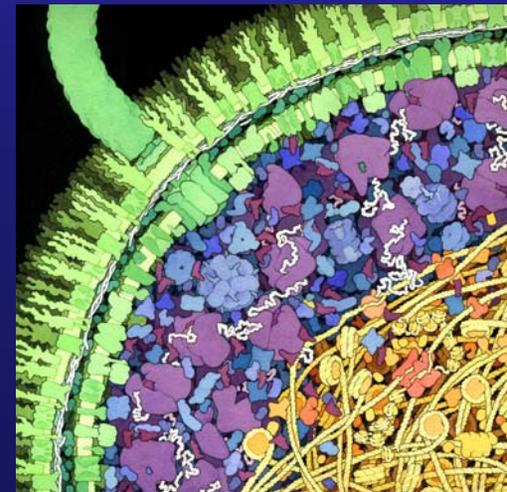

- Accelerate basic research discoveries and speed translation of those discoveries into clinical practice
- Explicitly address roadblocks that slow the pace of medical research in improving the health of the American people

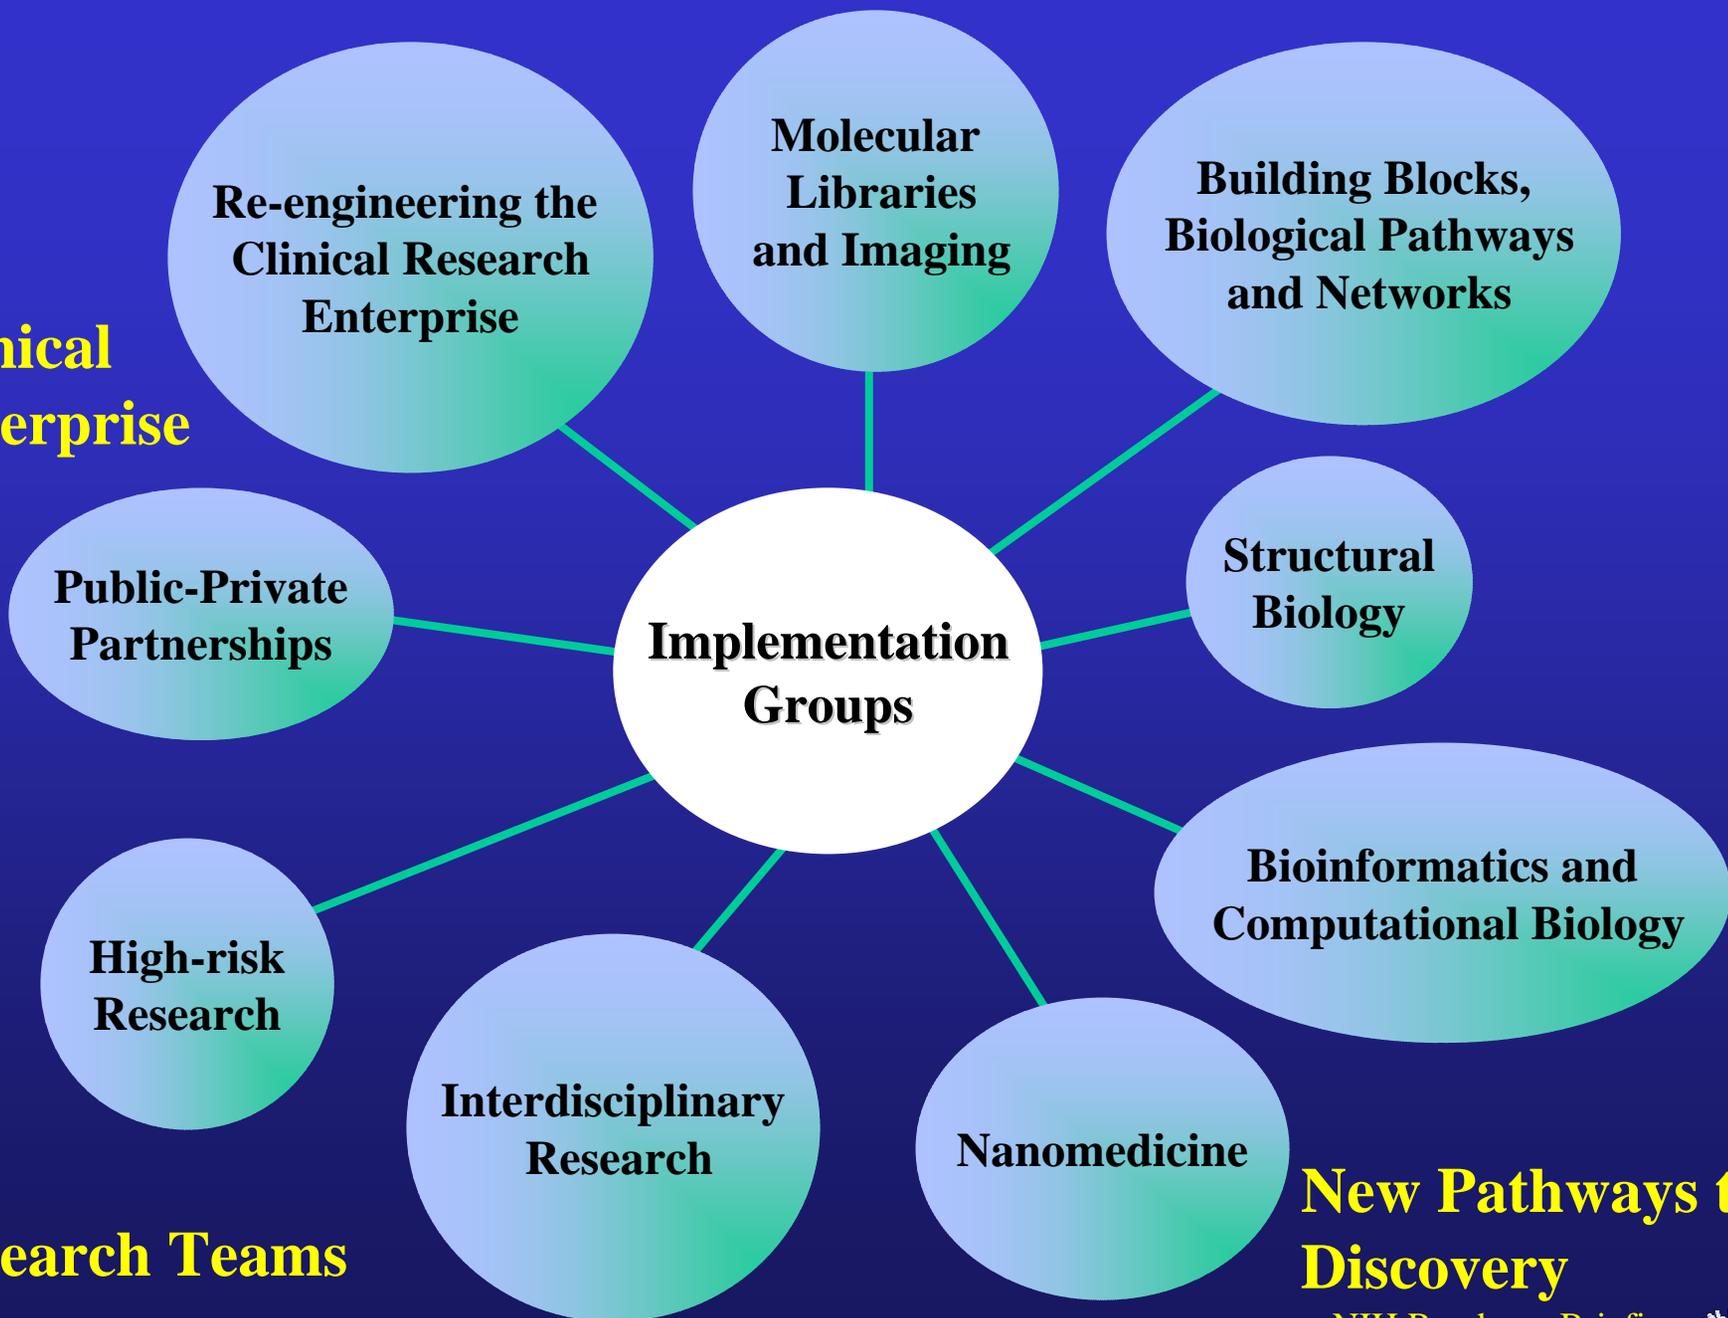

# NANOMEDICINE ROADMAP INITIATIVE

## Project Launch Meeting

NIH, Masur Auditorium, Bldg 10, Bethesda, MD  
Tuesday, May 4, 2004

# Clinical Enterprise

# Research Teams

# New Pathways to Discovery
